

Talk: Acts 8v1-40 - Progression!

**ALL NATIONS
CHURCH**

BARKINGSIDE & CLAYHALL

- Has All Nations made progress despite lockdown, obstacles and challenges?
- We'll see in Acts 8 - the gospel progressed from Jerusalem through to Judea and Samaria despite imprisonment, opposition, persecution and martyrdom
- How did the gospel progress?

1. God's CATALYST for MISSION was martyrdom as disciples SCATTERED to NEW AREAS!

—> Mission comes at a cost!

2. God's PROGRESS of MISSION was proclamation as disciples SPOKE to NEW PEOPLE GROUPS!

—> Mission develops as we speak the gospel cross-culturally!

Why is both MOVING and SPEAKING out of our comfort zone significant in the progression and advance of God's Kingdom?
